

Previous research experience \_\_\_\_\_

Honors and Activities (College Only) \_\_\_\_\_

Are you applying to:            SURP Program            \_\_\_\_\_yes \_\_\_\_\_no

What in your opinion makes you a suitable candidate for the SURP program? \_\_\_\_\_

If you are interested in working on projects described in the enclosed brochure, please indicate the research areas of most interest to you or the name of the faculty member (1. = first choice, 2. = second choice, 3. = third choice) below. Other possibilities exist for research projects that are not currently on the Research Descriptions list. Please describe other possible areas of interest to you in blank 4. below.

1. \_\_\_\_\_ 2. \_\_\_\_\_

3. \_\_\_\_\_ 4. \_\_\_\_\_

\_\_\_\_\_  
(Applicant's Signature)

\_\_\_\_\_  
(Date)

Please have two professor/advisors in your department send a letter of recommendation under separate cover.

The internship begins May 26, 2015 and ends July 31, 2015. These start dates should be considered mandatory. Accommodations for earlier or later starting are possible but should be negotiated with the mentoring faculty and the Course Director.

Work extending beyond the indicated time period may be possible in some laboratories.

Are you interested in housing (room and board) in the dormitory?

Yes \_\_\_\_\_ No \_\_\_\_\_

**Applications should be submitted by **March 31, 2015**.** Please return application to:

**SURP/NSF-REU Coordinator**  
**Department of Physiology and Biophysics (SURP)**  
**Case Western Reserve University**  
**10900 Euclid Avenue, Cleveland, Ohio 44106-4970**
